

Great Lakes Assemblies, LLC (GLA) is a mass production, modular assembly, sequencing, and supply chain management company, providing its customers with modules configured in a lean manufacturing environment and delivered just in time. At GLA, we *“Build quality, delivered the way you want it, when you need it!”*

GLA Mission Statement

Great Lakes Assemblies through its associates will deliver value-added manufacturing services and products that provide exceptional quality, are competitively priced and environmentally responsible

GLA Vision

Great Lakes Assemblies will be a world class, customer driven company providing unsurpassed quality through innovation and technology, exceeding the expectations of customers, associates and shareholders.

Company Highlights

- Joint venture between Modular Assembly Innovations (51%) and Midwest Express (49%), a wholly-owned subsidiary of Honda
- GLA is a certified MBE (Michigan and Ohio)
- 130,000 square foot manufacturing facility
- 129 associates; non-union facility
- Located in East Liberty, Ohio
- Produces more than 4 million modular assemblies per year – wheel assemblies, center console modules and a number of other chassis, interior and powertrain modules shipped to Honda plants in the U.S. and Mexico.
- Expanded product offerings to include automotive center console modules, tire pressure monitoring systems, as well as, braking, chassis and powertrain content.
- ISO 9000 and ISO 14001 certified

Key GLA Accomplishments

- The transition to GLA was flawlessly implemented with no drop in quality/delivery.
- Honda, GLA’s customer and partner, has confirmed the success of the launch and transition with significant new business opportunities, well ahead of the timeframe established in the planning stage of the joint venture.
- Have exceeded financial expectations each year of operation.
- Have improved quality PPM 78% year over year; current PPM < 4
- Flawlessly implemented tire pressure monitoring technology into product/process
- 2006 Honda Supplier Award for delivery excellence
- 2010 Honda Supplier Award for quality excellence

GLA Provides Critical Services to Honda:

- Manufacturing and assembly including process design
- Logistics and sequencing
- Purchasing and supply chain management
